## **NOTIFICATION**

**Subject: Online Portal for Academic Certificate Distribution to Alumni of Closed Affiliated Colleges**

This is to inform all students and alumni of the following affiliated colleges that the Maulana Abul Kalam Azad University of Technology, West Bengal (MAKAUT, WB), has established a dedicated online portal for the streamlined and efficient distribution of academic certificates.

Applicable Institutions: Institute of Genetic Engineering (IGE) (210),  
Calcutta Institute of Engineering and Management (CIEM) (165),  
Calcutta Institute of Science and Management (CISM) (299),  
Aryabhatta Institute of Engineering & Management (AIEM) (171)

Since the aforementioned colleges have ceased operations, the traditional mechanism of certificate distribution through affiliated colleges is no longer feasible. To ensure that all eligible alumni of the 2023, 2024, and 2025 pass-out batches receive their academic certificates in a timely, transparent, and orderly manner, the University has approved the establishment of a dedicated online portal.

### **Portal Features and Service Terms:**

- (a) Certificate Request Registration: Eligible alumni may submit certificate requests via the online portal using their registration number, examination roll number, and other required credentials for verification.
- (b) Service Fee: A service fee of Rs. 200/- per certificate request is levied, consistent with the University's existing policy on speed post dispatch of academic documents. This fee ensures cost-effective certificate distribution and transparent financial management.
- (c) Online Payment Gateway: The portal is integrated with secure online payment facilities enabling direct receipt of funds and automated reconciliation.
- (d) Real-Time Tracking: The portal provides automated tracking and delivery status updates to enable alumni to monitor the dispatch of their certificates in real-time.

The online certificate portal is accessible via the following link: <https://makautwb.in.net/tnd/>

This portal is currently open to all pass-out students of the 2023, 2024, and 2025 academic years from the four aforementioned colleges and will be available from 15<sup>th</sup> July 2026 to 31<sup>st</sup> August 2026.

The University thanks all alumni for their understanding and cooperation in this matter. We remain committed to providing efficient and transparent academic services to all our graduates.

This issues with the approval of the competent authority.

**(Dr. Subhashis Datta)**
